Dedication

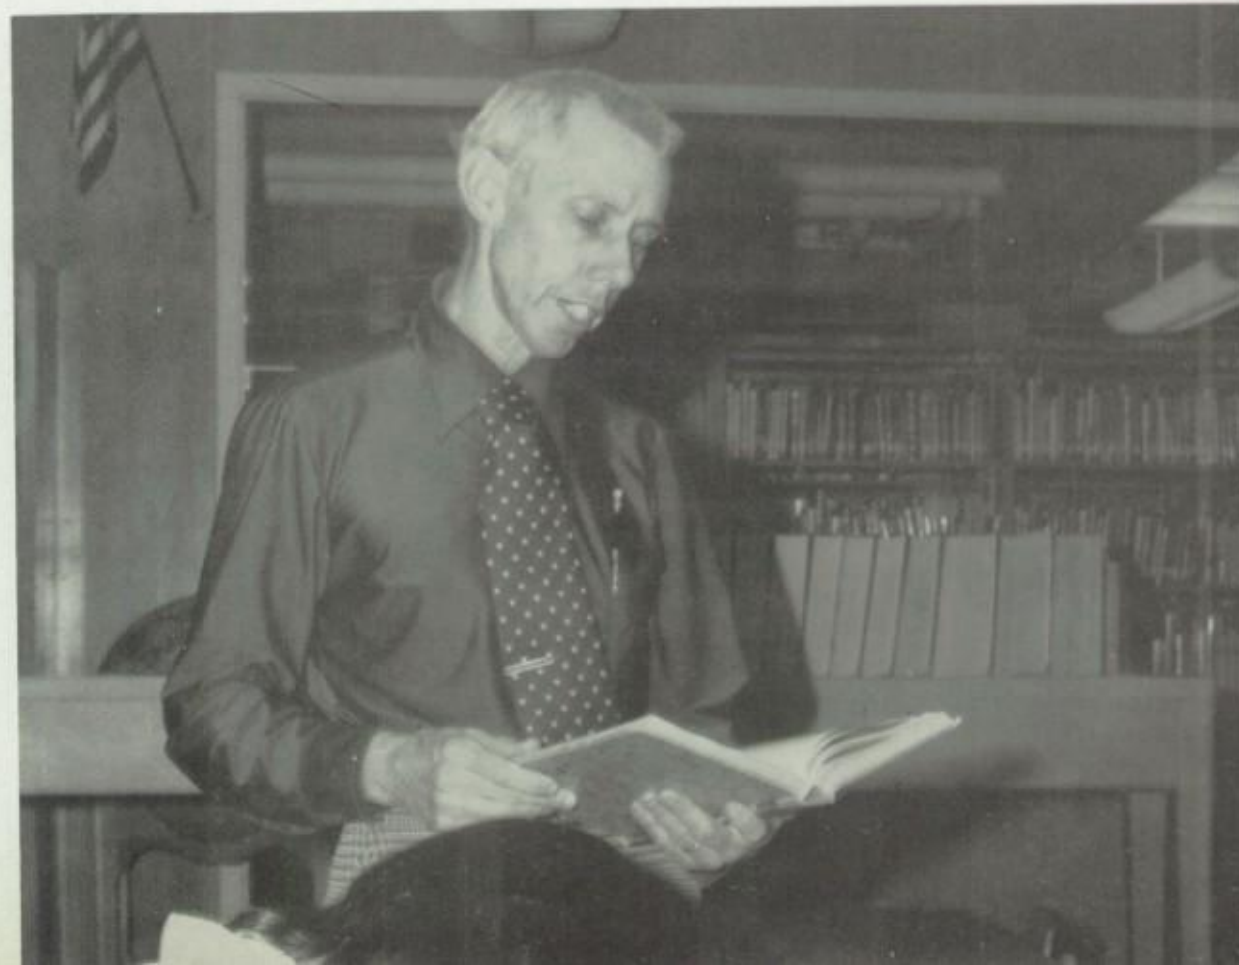

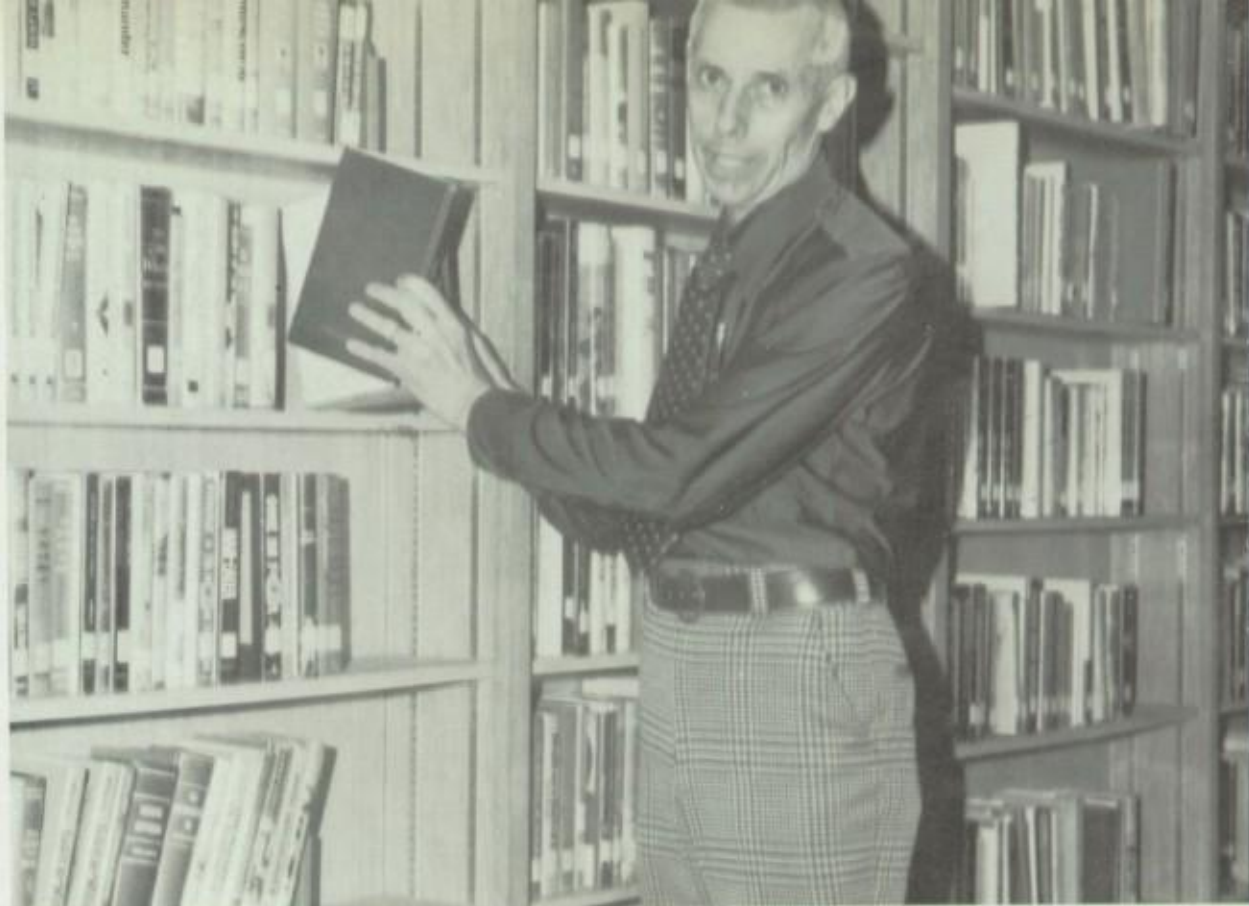

On behalf of the entire student body at Pioneer, the Annual Staff takes great pride in dedicating the 1979 TORCH to a man whose care takes him far beyond his assigned duties.

Born and raised on a farm in Kentucky, he went on to attend the University of Kentucky, where he majored in English. After graduation, he remained in his home state to teach, but later "went West", and eventually found himself teaching in California — in the El Rancho Unified School District. Soon after, however, he heard Pioneer calling, and has since then been our school librarian.

And what a wonderful person he is! He never misses work, yet he still has time to fully enjoy life. He and his wife Betty share their home with their beautiful Schnauzer, Greta, and five cats, though he is always willing to take in a needy stray. He has a great interest in sports and has ushered several USC football games. Also, he is crazy about crossword puzzles, especially those from the New York Times, and his home-grown roses are said to be simply exquisite.

For being our devoted librarian, and well, for just sharing his humor and brilliance, the 1979 TORCH is dedicated to our friend . . .

The Senior Class Council of 1979

Last of the Red-Hot 70's

The Sensational seniors of 1979 were led by the outrageous Kevin Takishita in their never-ending search to display originality. Together with the other officers and council, the 79'ers sponsored the first-ever Ice-skating party at Polar Palace, the Valentines Day Jail, and a fabulous Disco Dance. Their spirit ended the decade with a bang!

SALIENT SENIORS!

California Scholastic Federation Life Membership is a difficult honor to attain. To qualify one must make CSF four times out of the final six semesters, with one of them being in the Senior year. By the end of the first semester this year, eleven Seniors had received this mark of excellence.

Kevin Takishita and Laura Barraza are Pioneer's Boy's and Girl's State Representatives. Kevin visited Sacramento last June and Laura will go this June.

Finally, Beth Klein is this year's D.A.R. Citizenship Award Winner. She has been extremely involved in our school and community and truly deserves this award.

Boys' League and Girls' League Sponsor Activities

The Boys' League and Girls' League Cabinets of 78-79 gave Pioneer another year of fun activities and events. This year they brought us such events as the Christmas Dance, Girls' League Dance, Mother-Daughter Dessert, and many other activities. The money raised went to others in need of help and supplies. Pioneer Pepsters '79

The Yell Leaders Are One of a Kind in '78 and '79

The 1978-79 Varsity Yell Leaders worked successfully at raising school spirit at PiHi. Led by Kathy Minge and Sharon Yokota, the Yell Leaders performed many new and interesting yells at assemblies and at competitions. They were busy all year long supporting all sports.

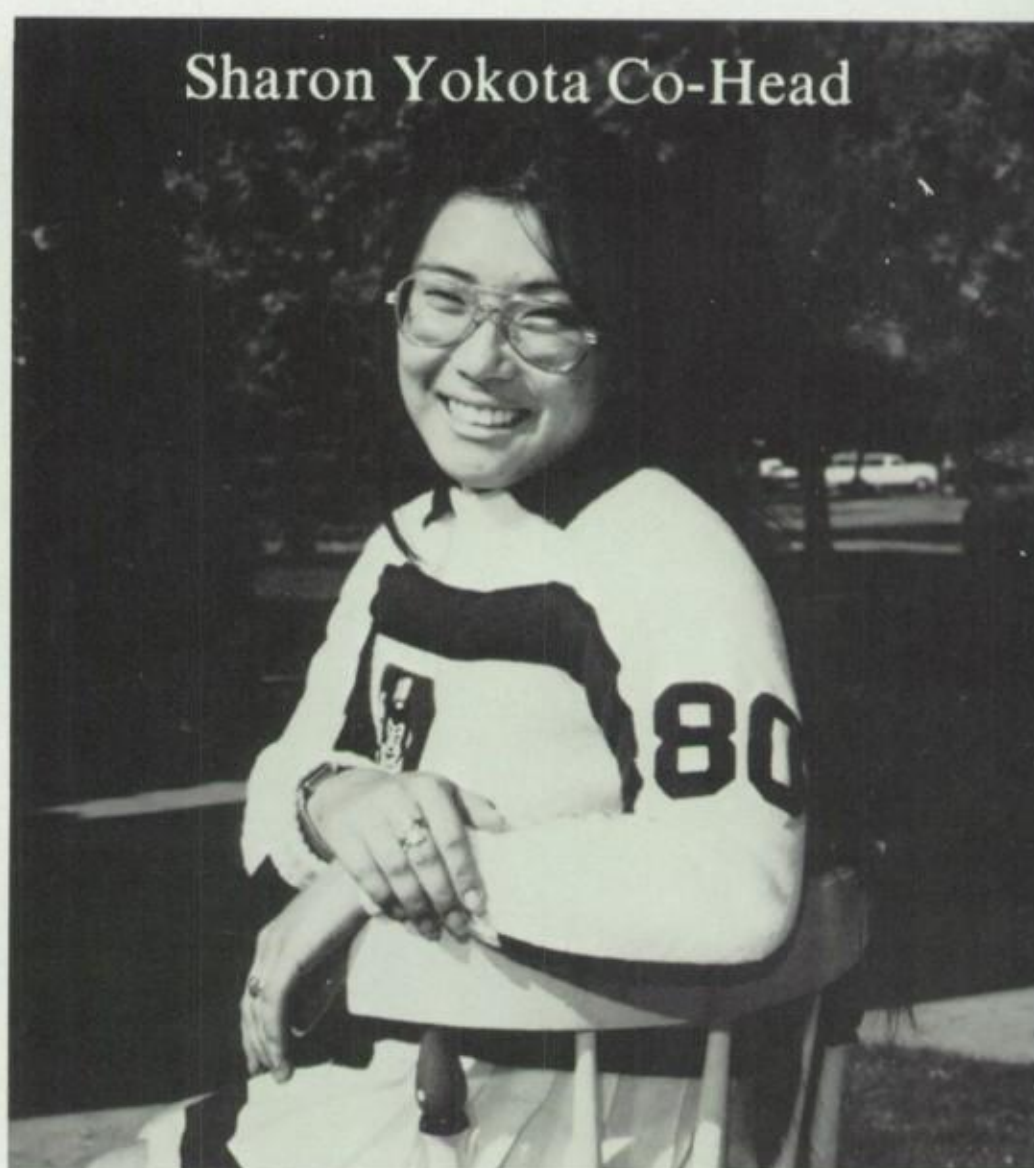

During the summer, they practiced and met to discuss new ideas for the entire year. They also attended a cheer-leading camp where, on the final day, they received a "Superior" rating for their hard work and cooperation. The eight-member squad was a combination of many different personalities, all of which contributed to their success as a unit.

Pioneer Titanettes — 1979

Upon returning from their trip to Hawaii, the Pioneer Titanette Drill Team started preparing for another successful year. The Titanettes, under the leadership of Tereza Reynoso, Vicky Perea, and Sheryl Stalcup, performed at the Pomona Fair, West Arcadia and Artesia parades. They, once again, received sweepstakes honors at both the Oceanside and Whittier Homecoming parades. The highlight of the year was being asked to perform for the Los Angeles Rams half-time show. The Drill Team put in many hours of practice, which resulted in a fine performance.

The Titanettes and advisor Miss Marilyn Littlefield are expecting another gratifying year in 1980.

Varsity Shows No Respect Toward Elders

The Pioneer Varsity showed no respect toward their elders as they defeated the Pioneer Faculty with ease. Although the faculty caught on to some points, they did not gain enough to get back into the competition with the Varsity. The faculty had to settle for an upsetting score of 45-34 Varsity.

Titans Advance in C.I.F. Playoffs

The "78" Varsity Football Squad captured second place in the wild Whitmont League with a record of 5 wins and 6 losses.

The defense was the key to several Titan victories as they stopped offenses throughout the league.

With help from such players as First Team All League Defensive Back David Gonzales and Second Team All League Players Leon Dodd and Art Arce, the Titan defensive squad was one not to be forgotten.

The young offense had trouble scoring points at the start of the season, but as it progressed, they came together as a team and defeated highly ranked La Canada in the CIF championships. They then advanced to the quarter-finals against Paramount.

Robert Mora, First Team and Chris Aranda, Second Team, also helped the Titans throughout the year on offense.

Coach Estabrook and the rest of the staff were very proud and pleased to work with the Titan squad and hope that the "79" team will bring a great season for all.

TITAN CROSS COUNTRY GAINS 6th PLACE IN C.I.F.

The 1978 Cross Country team proved to be one of the toughest groups of men and women. The team worked hard all season in order to perform well for the spectators. Early in the season the Titans started to grab hold of their strong season record of 8-1 for the Varsity, only losing to Montebello, and 8-0 for the Frosh-Soph.

The Varsity runners easily took a second place in the Whitmont League then advanced on to C.I.F. where they finished off the season taking a strong sixth place. In C.I.F., both Eddie and Frank Guzman were selected for first and second teams All League. "It was the first time that our team had qualified for finals and it was especially gratifying to place so highly. This year's team improved more than any other team I have ever coached," states head coach Tom Castro.

Leading the team were senior captain Eddie Guzman, James Gutierrez, junior captain, John Gutierrez, John Garcia, and sophomores Frank Guzman, Felipe Lugo, and Manuel Garcia. Also helping out the Varsity team were freshmen, Alfred Salas and Roman Cota. Prospects for next year are good, with returning lettermen Frank Guzman, John Gutierrez, Felipe Lugo, Alfred Salas, John Garcia, Manuel Garcia, and Roman Cota. Along with the Frosh-Soph Co-Champions, led by David Hernandez, Kenneth Martinez, and Arnold Yniguez.

The Frosh-Soph team surprised their spectators while performing in dual meets and invitationals. This was the year for the Frosh-Soph as they wiped out every team which came within its path and marked an impressive 8-0 record for the season. When the season came down to League Finals, this was not enough to tire out the team as they had to settle for Co-Champions, tying with Santa Fe. At the Mt. San Antonio Cross Country Invitational the Frosh-Soph team managed to take a first place in their race division, and each prospect received a medal.

... COMPETE IN C.I.F.

This was a good year for our Titans: A third consecutive three-night trip to San Diego, a second place finish in our Pioneer Tournament, and finally, a second place finish in a close Whitemont League race.

This was also a year that saw our team grow closer together. It was a year of "almosts" as well. We were a whistle away from first place.

Pioneer played well over the long season. Our consistency took us to a second place finish in league play. Consistent play from Pioneer's guards, Vidal Arista and Ernie Magana were of primary importance. Mark Leonette's consistently strong play payed off in helping defeat tough opponents.

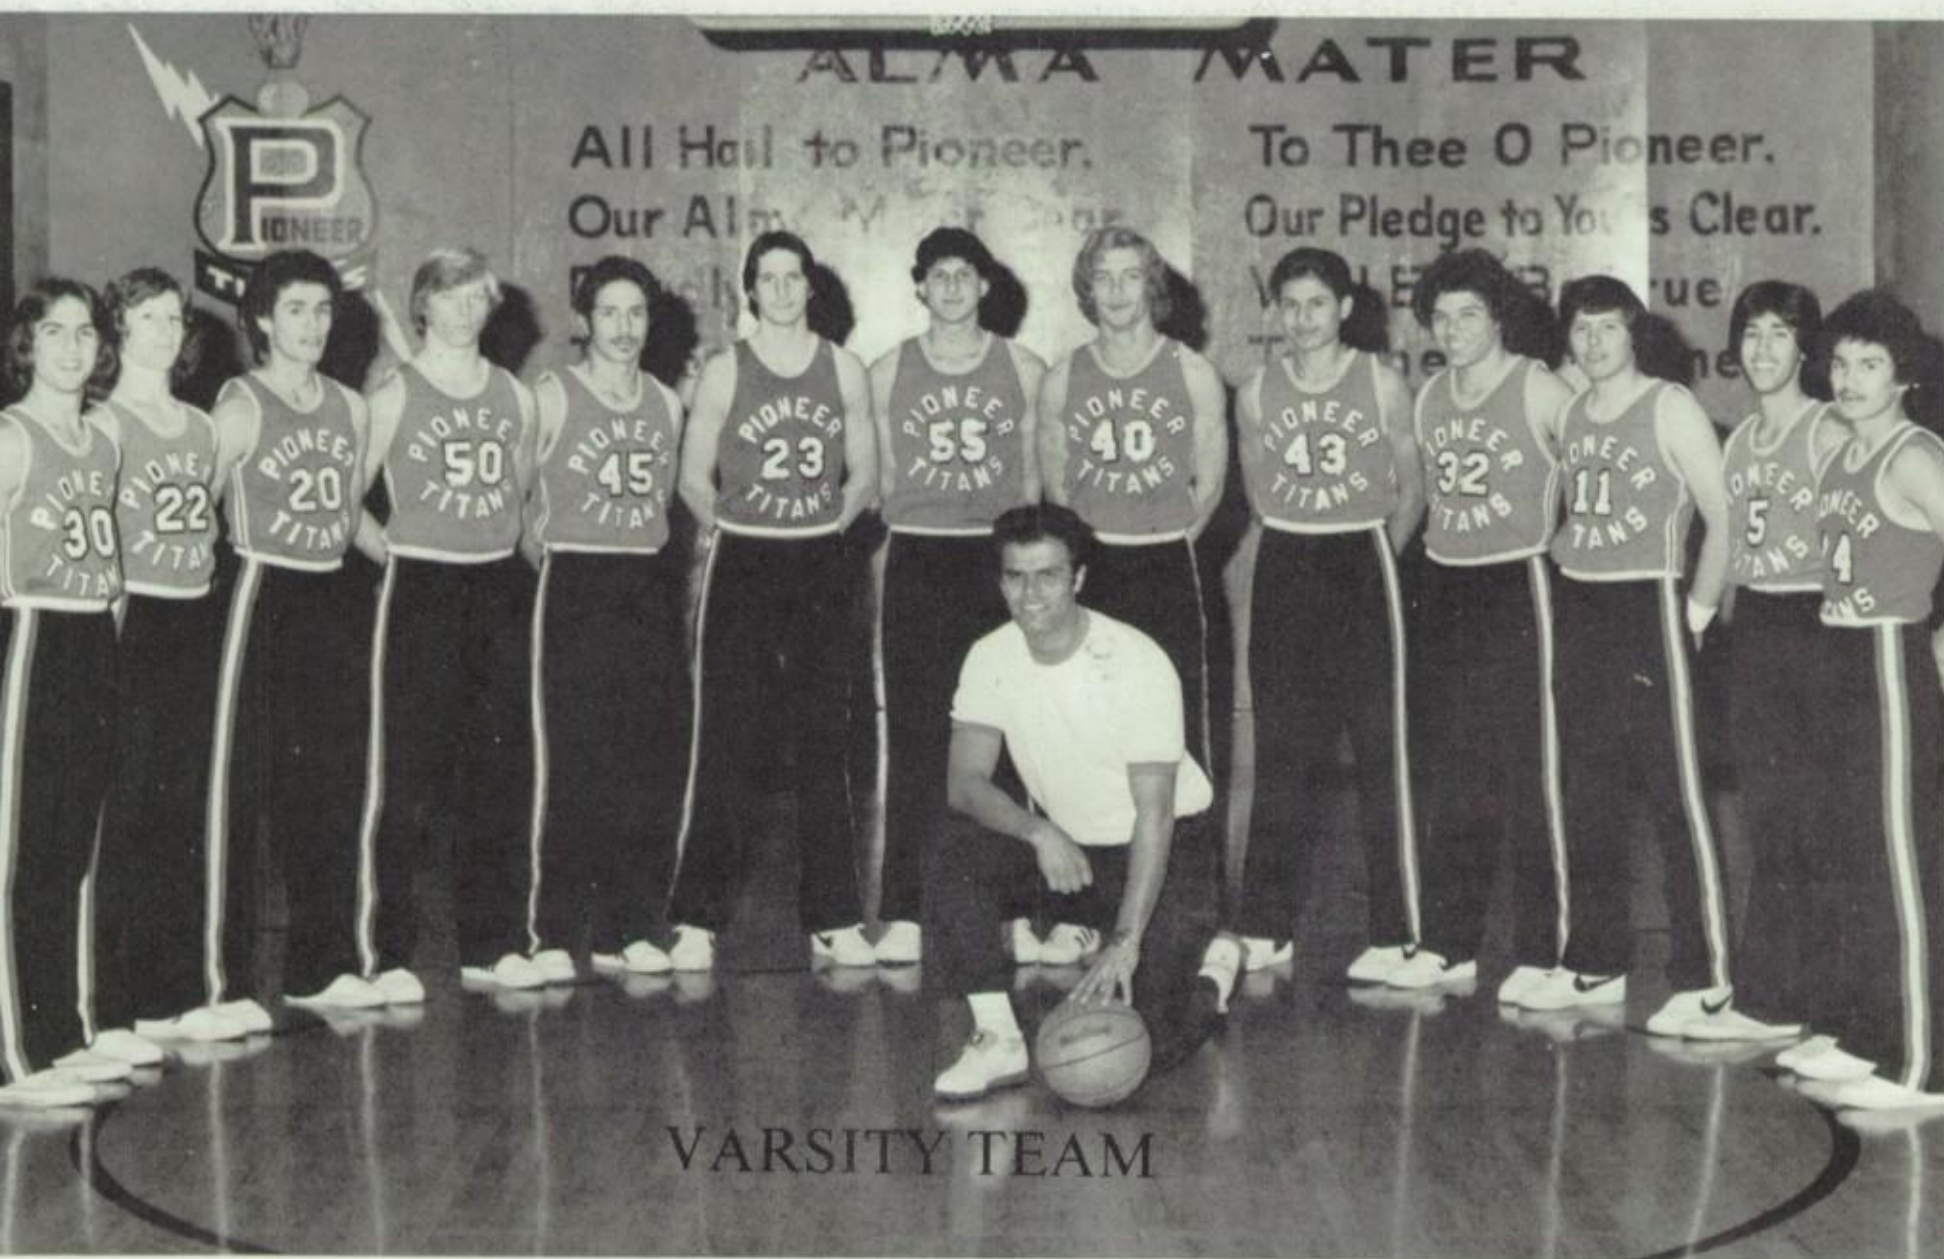

The tears shed at the conclusion of our CIF playoff game were not because we had lost, but because the season and the fun was over . . . until next year!!

Basketball Leaps High in League Competition

This year's Fresh-Soph Team started league play with high hopes after finishing a disappointing pre-season. Even though the team finished with a 5-9 league record they were very competitive in every game until the final moments. This year's team had a tremendous attitude and showed they were vastly improved by the season's end, only losing to undefeated league champion Sierra by 5 points. The team was led all year by the outstanding play of team captain Ricardo Garcia. The highlites of the year were big victories over highly regarded La Serna and Calhi.

Frosh-Soph Team

The year is 1979. The year that the Pioneer Titan Soccer Team would achieve the ultimate goal in high school athletic competition, a CIF championship crown. Under the direction of third year head coach Mario Muniz, and an established and reputable soccer program, the Titans emerged as the premier team of 1979 in the 3-A division.

1979 was also the year that one of the most fascinating prep soccer careers came to an exciting end. Anthony Carrillo, a four year varsity letterman, four year All-leaguer, two year All-league MVP, two year All-CIF 1st Team, was named by the Citizens Savings Athletic Foundation as the Most Valuable Soccer Player in 3-A CIF Southern Section. Carrillo finished his prep career with 138 career goals, second all time, and most goals in a single game (11) against Bassett High School.

The year was also one that brought much honor and recognition to Pioneer, as seven members were named to the All Whitmont League teams. 1st team Anthony Carrillo, Juan Duarte, Armando Carrillo and Ernest Ferrel. 2nd team Mike Germer, Ben Perez, and Ralph Duran. In addition, five Titans were named to the All CIF 3-A teams. 1st team Antonio Carrillo, MVP, Juan Duarte, and 2nd team Armando Carrillo, Ernesto Ferrel, and Ben Perez. Also honored by the Citizens Savings Athletic Foundation was Titan coach, Mario Muniz, who was voted by the Southern California Soccer Coaches Association as 1979 Coach of the year.

It appeared as though the entire league was out to avenge the Titans for running away with the title a year ago, but the Titans ran away with their second consecutive title with a record of 9 wins and 1 loss.

CIF — ROUND 1 Loyola was defeated by the Titans 4-2. They were unable to stop the speed and agility of the Titan offense.

ROUND 2 In round 2, the Titan team met a revengeful Walnut team. The players demonstrated tremendous balance by scoring 5 goals, each by a different player, as the Titans went on to win 5-2 and advance to the quarter-finals.

QUARTER FINALS Pioneer traveled to the San Fernando Valley to meet undefeated Alemany High School. Titan defense held Alemany scoreless. Jose Duarte scored both goals as the Titans won 2-0.

SEMI-FINALS The Titans then came up against the defending CIF champions, Calexico. Although the underdogs, the Titans defeated Calexico 3-2 in a very exciting game that went into sudden death after two scoreless overtimes. The winning goal was scored by Tony Carrillo.

FINALS Finally, the Titans traveled to Chapman College for the championship game against Kennedy. The Titans held off the Fighting Irish in the first half and took a 1-0 lead on a goal by Tony Carrillo. In the second half the Titans maintained their composure and turned Kennedy away empty handed. The game ended, and the Titans were the new CIF Champions!

FROSH-SOPH Superior team play enabled this years F/S soccer team to wind up with a 10-3 season record and share the championship with Montebello. Although a relatively young team, the Titans made up for the lack of experience by utilizing a very "together" style of soccer, which befuddled and outscored their opponents 31-16. The offensive punch was led by freshman sensation, Eddie Trejo, who accounted for 21 of the Titan 31 goals. The F/S squad is highly respected by coach Carlos Casillas for "sticking it out and showing a great desire to excel as teammates and soccer players."

TITAN SPRINTERS — CONFIDENT TEAM

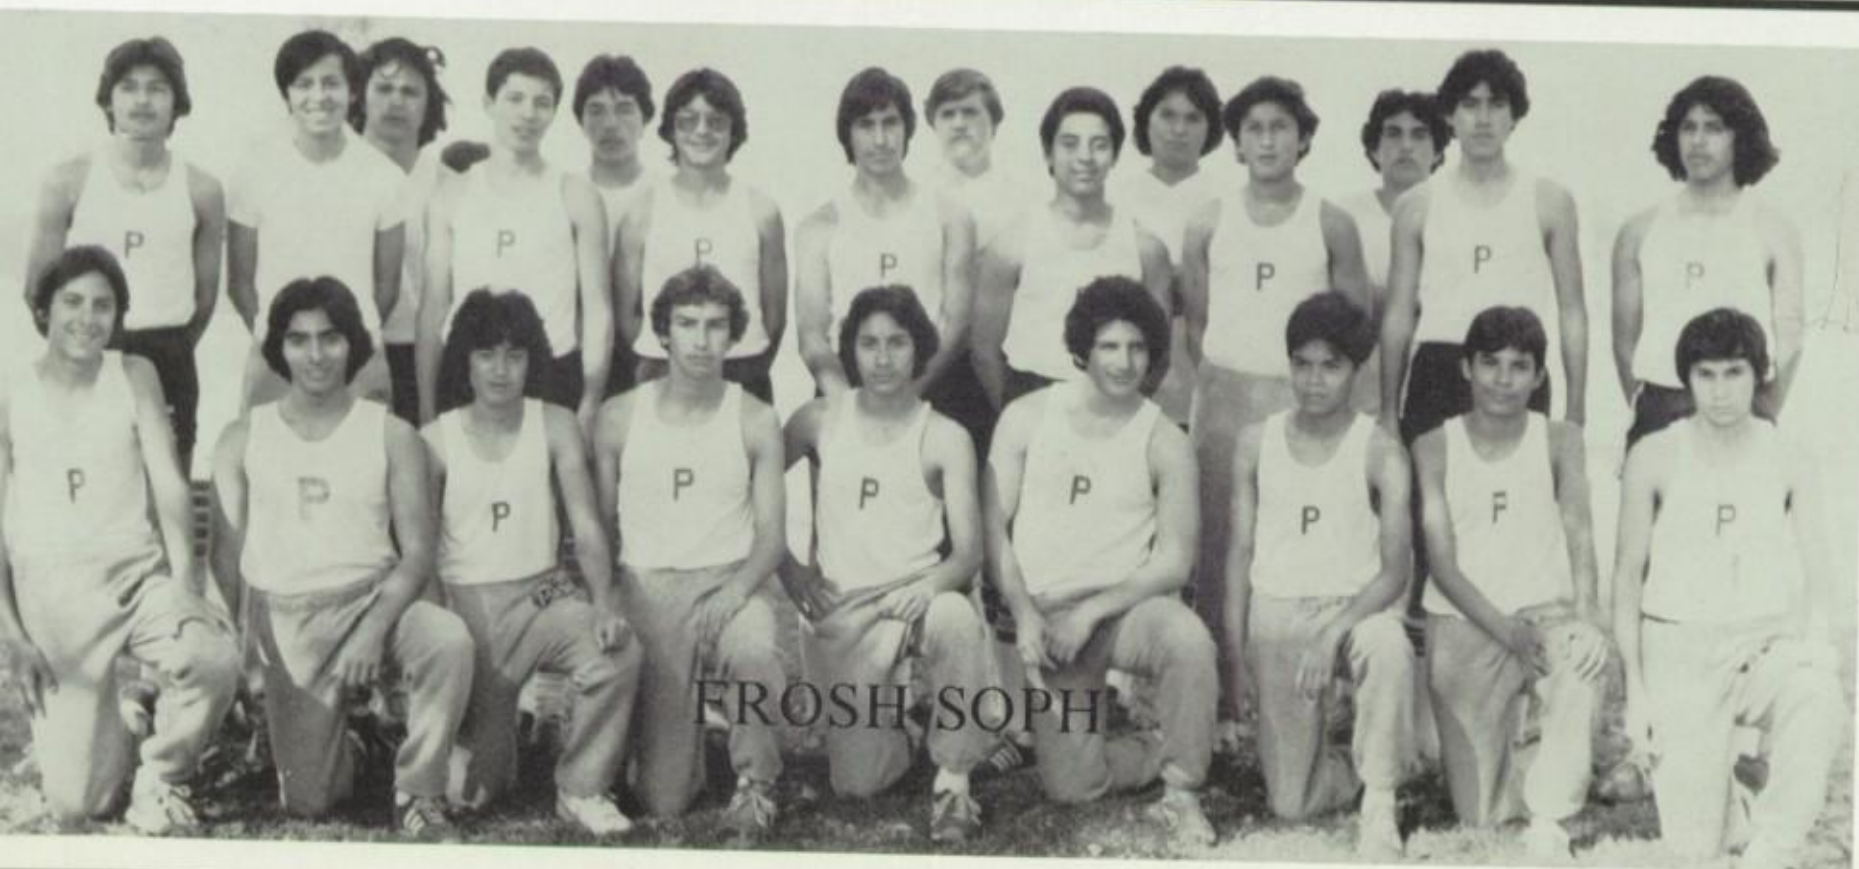

Under the coaching staff, headed by Tommy Castro, sprint coach Anthony Martinez, distance coach Michael Hernandez, field events coach Jamie Castro and Mike Chavez, and Julian DeLa Torre, the track team will once again build it's strength and work its way into league. Before publication date, the team worked on a 2-0 record beating Whittier and wiping out Monte Vista. The team consists of many well trained athletes who work hard and perform well. Sprint power for the team came from runners Nick Parker, Phil Liberati, Nick Deson, Gilbert Ortiz, James Gutierrez, and Mike Machado. Distance runners are Eddie Guzman, Frank Guzman, Ralph Prado, Steve Espinoza, and John Gutierrez. The Titans should rank high in the standings and should break through the stiff competition. This year's Varsity captains are Eddie Guzman, James Gutierrez, Loretta Jordan, and Pat Lopez. Frosh-Soph captains are Roman Cota and Isabel Lopez.

Titan Baseball Estimates Strong Season

At publication time, the Titan baseball team had a bright outlook for the upcoming season. Six Seniors and eleven Juniors look forward to a promising season. The Titan team plays year round, entering 'An American Legion League' with a twenty-four game schedule in the summer time. They also play twenty-four games in school competition.

The outfield will be handled by quick and strong returning letterman David Gonzales, who hit .333 last season. Juniors Tom Padilla, Ben Jacobo, Mel Cazarez and Duke Limon infielders are also quick and have good range. Darryl Kauhola and John Pasillas are also playing first base. At second is Nick Perez and Art Alva. Gilbert Fragozo, Ernie Magana and Kenny Balder are playing short stop and are taking charge of ground balls. Perry Ullo, Dave Bird, Mark Tamayo are at third base. The solo catcher this year is Pete Edmunds, who is adjusting to the fundamentals very well. Our pitchers are David Gonzales, Mark Leonette, and Benny Jacobo. Also Kenny Balder who has a good curve ball. Coach Gonzales believes this year's team has a great attitude. With a few breaks and hard work anything can happen. Coaching this year was Head Coach Anthony Gonzales and assisting him was Ron Garcia.

81 is on the run

Don't worry about your house in the summer. Your the nicest & most easy going & buy that I've ever met. Keep it. Van Blact. 10/6/80

Early in September, the Class of 1981 began preparations for a profitable year. Led by President Marcia Chen and advisor Ron Lopez, the money-minded sophomores had a well organized plan of fund raisers.

Some of their most successful fund raisers were M & M candy sales, a Flower sale, and car washes. Their goal to earn \$1,000 was met with the help of a hard working council and cabinet.

The True 82

The Freshman Class Council and Officers, under the leadership of Class President Kelli Hanney began raising money Nov. 17, 1978 with a bake sale to finance its activities for the next four years. With the help of their advisor, Mr. McDonald, they also held more bake sales, car washes, and sponsored a dance. In their first year at Pioneer, they contributed more than their share of enthusiasm and spirit.

District Trustees Make Crucial Decision

The passage of Proposition 13 and a steadily declining enrollment caused the District Administrators and Board of Trustees to close two schools. The trustees searched for a closure plan that would disturb the fewest number of students yet let them go to the high school nearest their homes. Fifteen other criterias for selecting the 2 schools were: Ethnic and socio-economic balance, number of students displaced, cost of operation, rehabilitation potential, geographical placement, community support, gang strife, busing required, age of school, and the cohesiveness of the school and community.

At a meeting held on Feb. 1, at Whittier Auditorium, each of the trustees took time to explain to the audience the reasoning behind his or her vote, and named his choice of schools to close. Sierra and Monte Vista High Schools were the two schools recommended by the District Trustees to close, and it passed by a 4-1 vote. John Lauritzen voted instead to close Pioneer and La Serna High Schools saying that racial balance should be the overriding factor in a closure decision. But closing Monte Vista and Sierra improved the ethnic balance of the district enough to satisfy any state or federal requirements.

New attendance boundaries were also established at this meeting.

This page — Top Row — Henri Pellissier, clerk, Earle Fisher, Asst. Superintendent. 2nd row — Nolin Seabron, Asst. Superintendent, Joan Nay, Member — Board of Trustees. 3rd row — Norm Eisen, Superintendent, Alvaro Ramos, Member — Board of Trustees, John Lauritzen, Member — Board of Trustees. Bottom row — Jerry Sarchet, President, Sue Blevin, Vice-President, Art Hobson, Asst. Superintendent.

Always Proud to Be a Titan

"Come Sail Away" is an appropriate theme for this year. Pioneer is completing its twentieth year of operation — an appropriate time to think of the many graduates who have "sailed away" from our school to all parts of the world and entered into every possible occupation.

This has been an exciting year, with a great deal of apprehension about the possible closing of Pioneer. The Board of Trustees decided, however, to close Sierra and Monte Vista instead. Each of you should remember how Pioneer parents and students rallied together in support of their school. Certainly these efforts were influential in helping keep Pioneer open.

The Pioneer student body will change next year with about one-fourth of the students coming from the Sierra area; and it will not be long until the newcomers have become a smooth part of the Titan machine.

Pioneer will be having a new Principal next year; and there will, no doubt, be some changes made. I found that a principal can be a big influence on the attitude, environment, and program of a school. I have been very proud to have the opportunity, during the last nine years, to use my educational experience for leadership in this position.

At the end of this year, I, too, will "sail away" with the Pioneer graduates and take on different responsibilities in education. My twenty years at Pioneer have been very exciting, the heart of my productive life in education. We give and we get from every situation in our lives. I have given a great deal of my life to Pioneer, but I have received much in return from the vibrant, friendly, active students and the positive, supportive parents. To all of you, I say "Thank you! And my very best to you always!" Wherever I go, and whatever I do, "I am always proud to be a Titan!"

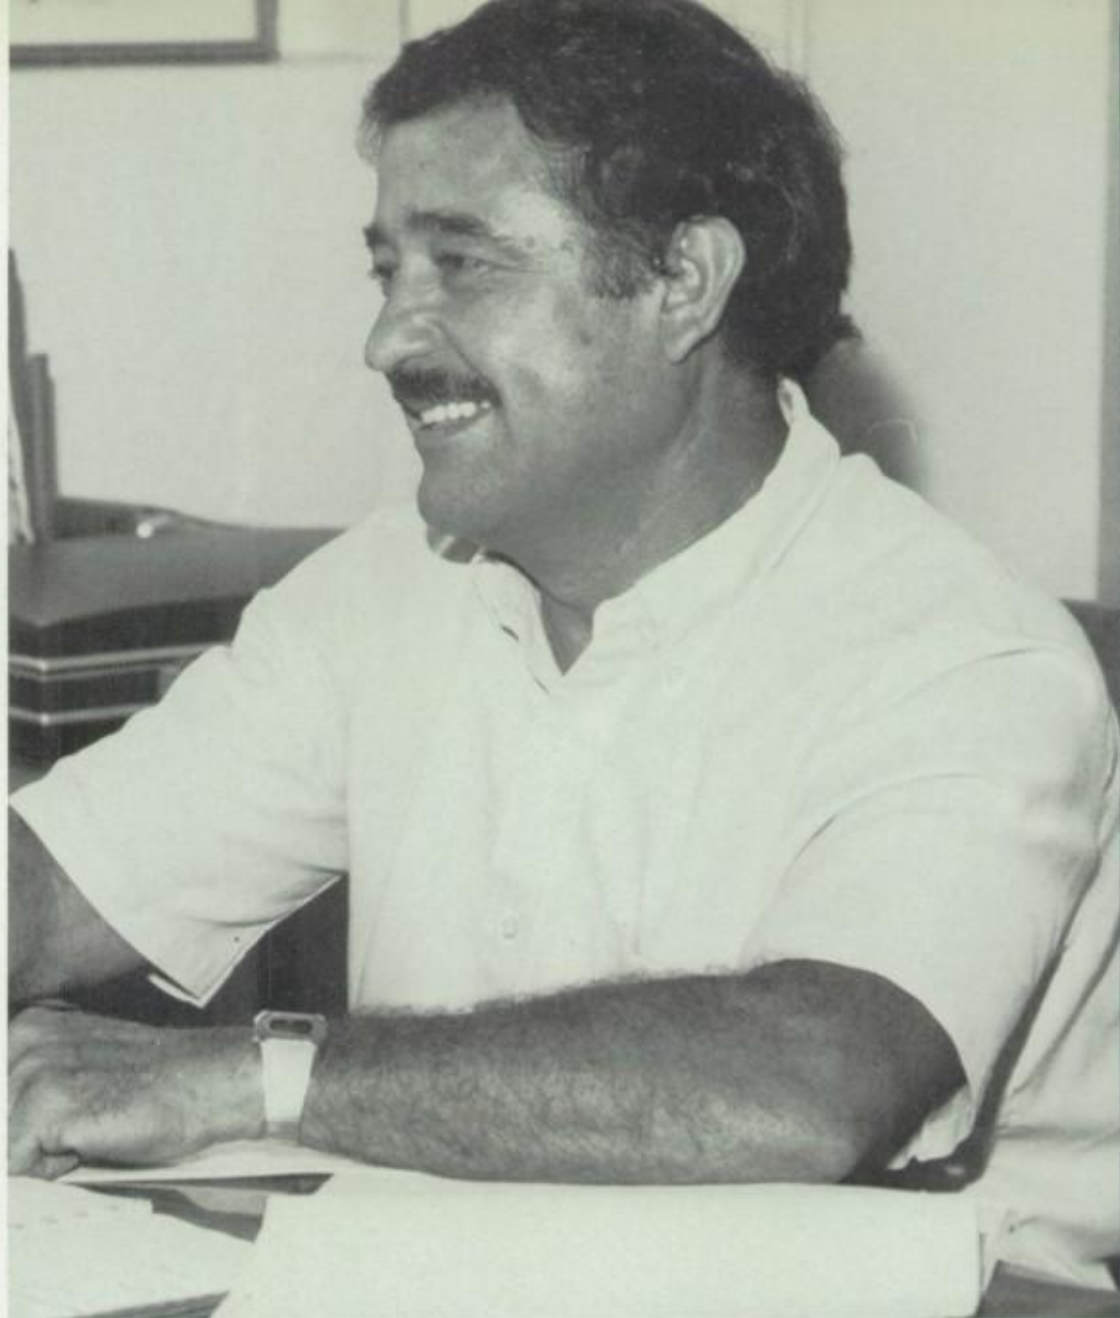

Administrators Express Pride in School's Achievement

The Administration Staff at Pioneer High School maintained almost every aspect of campus life.

Mr. Torres coordinates all student activities and business affairs. Guidance is headed by Mr. Low who handles all matters concerning student counseling. Mr. Kimmick, in curriculum, supervises the class schedules, and directs the student teacher program on campus.

The administrators work behind-the-scenes to keep a sense of unity and progress on the PiHi campus.

PiHi Crews Continue Doing Excellent Job

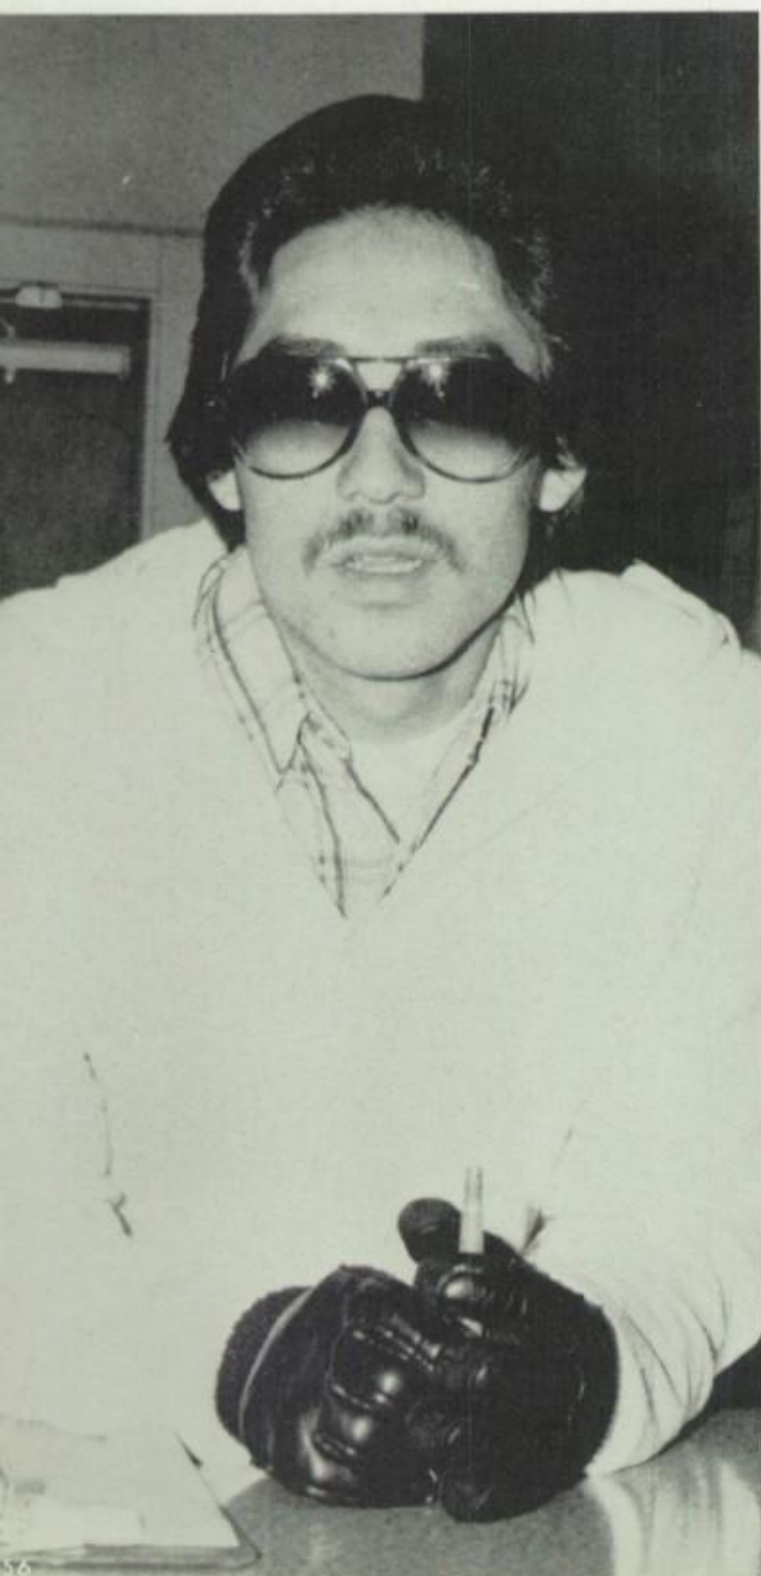

Pioneer is lucky to have a custodial crew that cares about our campus. They constantly strive to keep our school and shrubbery looking clean, and always set out the needed equipment for the various activities. Domingo Rodriguez is doing an excellent job in his first year as plant foreman.

The cafeteria crew is run smoothly by Mrs. Beverly Newell in her second year as manager. They work hard at preparing hot meals and snacks that the students can enjoy.

Elizabeth Fowler and Tony Luna are always meeting the needs of students in the Girl's and Boy's locker rooms. They are an important part of the campus crew.

Our three campus aids help the attendance office considerably by making sure students attend class, and by supervising the activities on the school campus.

Doug,

Wow what a great year
 has been so fun sitting on the
 back of the room in French in the beginning
 of the year. Lets hear it for the drums
 wherever you go wherever you do
 don't you dare forget me. If wherever
 you go you are just sitting around being
 bored or you're at a party feeling good
 call me and say "Hey I'm alive" and
 I'll know it's you. YOU'RE SO CUTE
 I love it. I don't believe you're actually
 leaving but that's life I hope you like
 it where ever you go. Even though you
 are gonna graduate at another
 High school you can still remember "S"

pleasure of calling my
friend. I hope you get
that guitar. You're a
great musician, keep it
together and take care. Good
luck!
